WHAT'S GOING ON IN THE LIBRARY?

Over the past two weeks we spent time reading books that celebrated Hispanic Culture. The 4th grade students started working on their reading goals, and the 5th grade completed a team work activity.

Hispanic Heritage Month

Every year since 1996, the Pura Belpré Award is presented to a Latino/Latina writer and illustrator for books that best portray and celebrate the Latino cultural experience in books for children and teens. Visit the ALA website to see the list of all the past winners of the Pura Belpré Award. Our library owns many of these books! In upcoming library lessons students will explore some of the award winning books.

2024 Pura Belpré Award Winner

"Pedro Martin's grown up in the U.S. hearing stories about his legendary abuelito, but during a family road trip to Mexico, he connects with his grandfather and learns more about his own Mexican identity in this moving and hilarious graphic memoir."

The Library Needs Pool Noodles

Last year we had numerous pool noodle donations and almost have enough for all the shelves. But we still need a few more! To keep the books at the front of the shelves, we are placing pool noodles behind the books. This increases their visibility. **Please consider donating a couple of pool noodles to the library!**

I look forward to working with you! Please email me if you need anything, or stop by the library!
