WHAT'S GOING ON IN THE LIBRARY?

Thank you to everyone that helped make the book fair a success! I was able to pick out over 30 new books for the library. While the book fair was going on, I took the library on the road visiting classrooms. Students learned how to access our digital resources.

Sept. 22nd -28th was Banned Books Week

Last week we celebrated the right to read during Banned Book Week. Every year this week is dedicated to bring attention to censorship. Celebrate your right to read.

The Library Needs Pool Noodles

Last year we had numerous pool noodle donations and almost have enough for all the shelves. But we still need a few more! To keep the books at the front of the shelves, we are placing pool noodles behind the books. This increases their visibility. **Please consider donating a couple of pool noodles to the library!**

I look forward to working with you! Please email me if you need anything, or stop by the library!
